

## **Publications European Charcot Foundation**

### **"IVIG trials in MS. Is albumin a placebo?"**

Otto Hommes, Judith Haas, Per Soelberg-Sørensen, Mieke Friedrichs.  
Journal of Neurology, volume 256, number 2, February 2009, 268-270

### **European Charcot Foundation Symposium "Treatment Targets in Multiple Sclerosis: "The Ends and the Means". Fiuggi, Italy, November 29 – December 1, 2007.**

JNS Volume 274, issues 1-2.  
Editors: O.R. Hommes, M. Friedrichs.

### **European Charcot Foundation Symposium "Mending the Brain: Stem Cells and Repair in Multiple Sclerosis". Taormina, Italy, November 16-18, 2006.**

JNS Volume 265, issues 1-2.  
Editors: O.R. Hommes, M. Friedrichs.

### **European Charcot Foundation Symposium "Treatment Strategies in Multiple Sclerosis. From pathophysiology to clinical practice. "Lisbon, Portugal, November 17-19, 2005.**

JNS Volume 259, issue 1/2.  
Editors: O.R. Hommes, M. Friedrichs.

### **European Charcot Foundation Symposium "Cognitive Decline in Multiple Sclerosis. Biological, clinical and therapeutic aspects." Taormina, Sicily, Italy, November 11-13, 2004.**

JNS Volume 245, issue 1/2.  
Editors: O.R. Hommes, M. Friedrichs Bosmans.

### **European Charcot Foundation Symposium "Preserve the Neuron". Brain atrophy, axonal loss, remyelination and stem cells in MS". Lisbon, Portugal, December 11-13, 2003.**

JNS Volume 233, issue 1/2.  
Editors: O.R. Hommes, M. Friedrichs Bosmans.

### **European Charcot Foundation Symposium "Immunosuppressive Treatments in Multiple Sclerosis". Seville, Spain, November 28-30, 2002.**

JNS Volume 223, issue 1.  
Editors: O.R. Hommes, M. Friedrichs Bosmans.

### **European Charcot Foundation Symposium on The Progressive Phase of Multiple Sclerosis. Pathology - Treatment. Venice, Italy, October 18-20, 2001.**

JNS Vol. 206, issue2.  
Editors: O.R. Hommes, M. Friedrichs Bosmans.

### **European Charcot Foundation Symposium on Early Indicators, Early Treatment and Neuroprotection in Multiple Sclerosis. Lausanne, Switzerland, March 23-25, 2000.**

Editors: O.R. Hommes, G. Comi.  
Publisher: Springer Verlag. ISBN:88-470-0242-7.

### **European Charcot Foundation Symposium on Genes and Viruses in Multiple Sclerosis. Venice, Italy, October 28-30, 1999.**

Editors: O.R. Hommes, M. Clanet, H. Wekerle.  
Publisher: Elsevier. ISBN 0-444-50694-2.

### **European Charcot Foundation Symposium on Scoring and Databasing in Multiple Sclerosis. Nice, France, October 29-31, 1998.**

Multiple Sclerosis Volume 5, Number 4, August 1999.

Editors: O.R. Hommes, M. Sandberg, D. Silberberg.

**European Charcot Foundation Symposium Body Fluid Markers for Course and Activity of Disease. Madrid, Spain, October 2-4, 1997.**

Multiple Sclerosis Volume 4, Number 3, June 1998.

Editors: O.R. Hommes, M. Sandberg and D. Silberberg.

**European Charcot Foundation Symposium Remyelination In Multiple Sclerosis. Vienna, Austria, July 4-6, 1996.**

Multiple Sclerosis Volume 3, Number 2, April 1997.

Editors: O.R. Hommes, M. Sandberg and D. Silberberg.

**European Charcot Foundation Symposium Emerging Treatments in Multiple Sclerosis. Brussels, Belgium, November 23-24, 1995.**

Multiple Sclerosis Volume 1, Number 6, July 1996.

**European Charcot Foundation Symposium on Interferon-beta in the Treatment of Multiple Sclerosis. Brussels, Belgium, September 23 and 24, 1994.**

Multiple Sclerosis Volume 1, Supplement 1, 1995.

**Gammaglobulin Treatment in Neurology, Fundamentals and Clinical Applications. Berlin, Germany, November 25-27, 1993.**

Editors: O.R. Hommes, J. Haas, H.-P. Hartung, F.G.A.v.d. Meché, J. Noseworthy.

J.N.N.P. Volume 57, Supplement November 1994.

The Symposium in Lisbon 2005 on Treatment Strategies in Multiple Sclerosis has formulated the Rules for individual patient care in MS in the LISBON DECLARATION (see under Cahier Charcot).

The Symposium in Nice 1998 on Scoring and Databasing in Multiple Sclerosis has formulated the objectives of the following 5 years in the NICE DECLARATION (see under Cahier Charcot).
